

## Urgent Needs

## Projects

Student & public safety	Improve pedestrian safety and traffic flow
Existing gym space is inadequate to meet the needs of the student population and desired physical educational offerings	Add new gymnasium with double-sided seating capacity, relocate softball field
Student educational demands exceeds building capacity	Add 6 – 8 classrooms
Student service and support demands exceed current capacity	Add student support space
Existing kitchen and equipment is worn out and has served its useful life	Upgrade existing kitchen
City required drainage and storm water improvements	Provide adequate site drainage and storm water improvements
City requirements	Address driveway sight distance and frontage improvements
Safety and capacity of parking areas	Additional parking
Address needs for adequate utility/infrastructure service	Upgrade utility infrastructure service connections
Old portables	Remove and relocated outdated portables
Lack of adequate meeting and performance space	Add flexible presentation/performance space at RHS
Worn track	Resurface track
Demand for play field exceeds capability of existing football field	Renovate main field to synthetic turf
Energy savings from field lighting	Replace/improve field lighting
ADA accessibility	Renovate District Stadium
Old portables	Remove old portables

## Multi-Use Space Functionality:

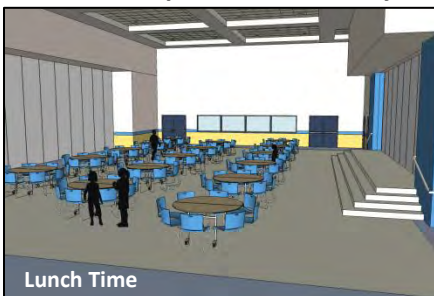

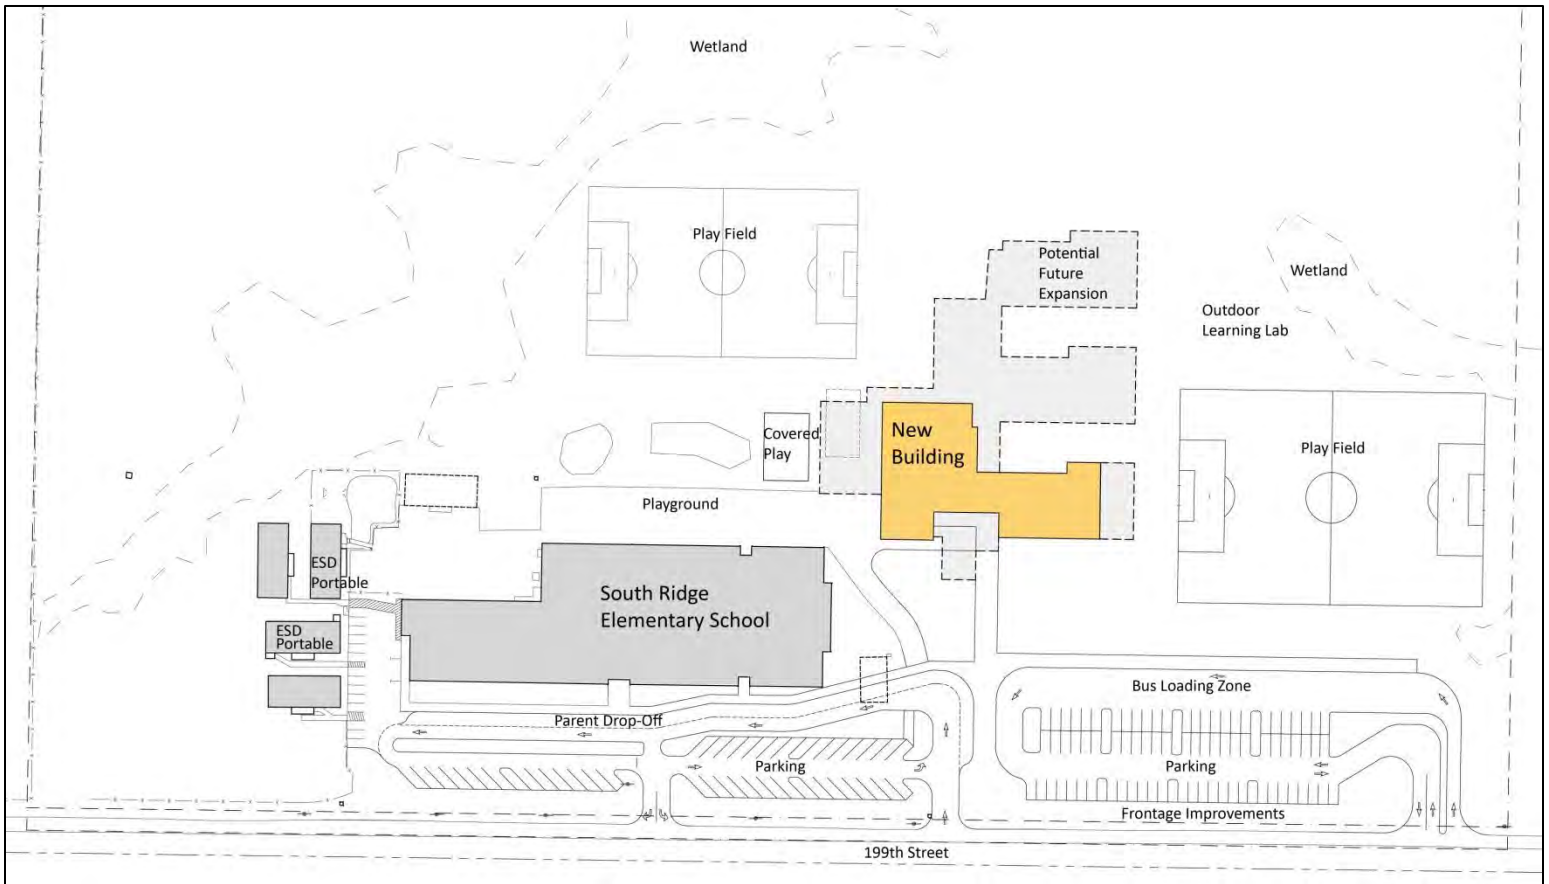

## Urgent Needs

## Project

Student & public safety	Improve pedestrian safety and traffic flow
Existing URES cafeteria/gym space is inadequate to meet the needs of the student population and desired physical educational offerings	Alleviate lunch, physical education and PE conflicts with a new multi-purpose space and new gym
All weather student play	Add covered play area
Student enrollment exceeds building capacity	Add 8 – 10 classrooms
Student service and support demands exceed current capacity	Add student support space
Existing URES kitchen and equipment is worn out and has served its useful life	New kitchen
Lack of appropriate space for music program and related arts	Include a multi-purpose music classroom / stage
City required drainage and storm water improvements	Provide adequate site drainage and storm water improvements
Safety and capacity of parking areas	Additional parking that separates parent and bus traffic
Old portables	Remove and relocated outdated portables
